

Dominic Fuentes | Software Engineer

St. Louis, Missouri | 314-218-8818 | DominicFuentes1@yahoo.com | [LinkedIn](#) | [Github](#)

Software Engineer with a strong desire for learning and a knack for solving complex problems. My previous experience in digital marketing and customer-focused roles makes it easy to adapt to any challenge. While I excel working on my own, I am most fulfilled when collaborating with others to find solutions.
