

Dominic Fuentes | Software Engineer

St. Louis, Missouri | 314-218-8818 | DominicFuentes1@yahoo.com | [LinkedIn](#) | [Github](#) | [Portfolio](#)

Software Engineer with a strong desire for learning and a knack for solving complex problems. My previous experience in digital marketing and customer-focused roles makes it easy to adapt to any challenge. While I excel working on my own, I am most fulfilled when collaborating with others to find solutions.

SKILLS

- **Programming Languages:** JavaScript, Python, HTML, CSS
- **Frameworks:** React.js, Express.js, Node.js, Vue.js, Vite
- **Databases:** MongoDB, PostgreSQL
- **Tools:** Git, GitHub, Mongoose, Jira, Figma, Canva

SOFTWARE ENGINEERING PROJECTS
